

Triple Eight Professional's Rhino Knife

RhinoKnife. Kirk Rexroat, long a favorite of 888 Professional customers, has struck a chord for the hunter and outdoorsman with his RhinoKnife. Taking the sweeping cutting edge of a skinner and detail cutter, with the proven performance of a deep gut-hook, the RhinoKnife can tackle a full-sized deer if you need it to. Otherwise, the gut-hook can easily double as a seat-belt or cord cutter, and that hard-working flowing edge keeps a razor sharp edge for any chore you can throw at it. RhinoKnife — as tough as it looks and is only \$34.95.
