

## Triple Eight Professional's SurvivIt Tool

The SurvivIt Tool, designed by retired police officer Roy Huntington, features a heavy-duty axle-sized pivot point, seat-belt/line cutter, prying/scraping blade, pocket clip and serious serrated cutting edge on the 440C power-blade, putting "big tool" capability in a tiny package. The innovative opening method for the anodized scales is secure — and fast. The Folding CopTool isn't just for cops either — anyone who needs a pocketful of power will see the advantages of the SurvivIt Tool! Engrave-able and convenient to carry, Triple Eight's SurvivIt Tool is only \$34.95.
