

**TRIPLE EIGHT
PROFESSIONAL**

Knife Instructions and Care

How to open and close the 888 Professional knives.

1. Snap open the Top Handle-Half and rotate as shown.

2. Rotate Top Handle-half completely around.

3. Snap closed Top Handle-half as shown.

To close the knife, simply reverse the opening instructions.

Knife Care and Safety:

- Keep your knife clean of dirt and debris.
- Periodically oil the pivot and closure mechanism.
- Most important of all!! Keep your knife sharp. A sharp knife is much safer than a dull one.
